HB 789 Surprise Bill Transparency Act Information

As part of the HB 789 Surprise Bill Transparency Act, Ambetter from Peach State Health Plan is providing consumers with the surprise bill rating for in-network hospital specialty groups. If a surprise bill rating is less than four checkmarks, each insurer advertising a hospital as in-network shall describe which qualified hospital based specialty group types are not contracted with the insurer.

Please use the legend below to determine the rating for in-hospital specialty groups.
